

## Strategic Planning Session

July 12, 2010

24 LCBAA in attendance, 4 groups discussed the following

### **What Could We Do**

Continuing education for alumni

Problem Solving Institute

2<sup>nd</sup> tier leadership class

Plan to increase diversity in leadership participants

Mentoring group for current class

Network referral

Take lead in community project- new school, riverfront development, Broadway viaduct

LCBAA serve as mentors for high school students- create internships for students

Members become involved in nonprofit Boards, public boards and local and state commissions

Renovate downtown building to meet community needs- youth activities

Alumni serve as advocates for Council Bluffs

Work with organizations to assist in follow through on identified issues and priorities

Development /preparation for those who have interest in public office

Develop interest/follow up to Leadership Iowa

Develop interest in Leadership Iowa University

Promote/support program for high school students that promotes leadership, i.e.: Business Horizon

Provide support to members with career changes
